**Please note:** Jimi Hendrix will not be available to play on the date advertised herew, as he will be filming a Fairy Liquid advert; however, Dave Whoppit, an experienced session musician from Scunthorpe, and Hendrix look-alike, will be standing in for the absent Mr Hendrix. We assure you that you won't notice the difference between Mr Whoppit and Mr Hendrix, as it is a known fact that Mr Hendrix has based his entire stage look, and guitar sound, on Mr Whoppit, who has been an unquestionable influence on Jimi Hendrix.
